

COMMENCEMENT CEREMONIES TO IMPACT PARKING FRIDAY, 8/4

Please be aware that on Friday, August 4, UF's Doctoral Degree Commencement Ceremony and the College of Nursing Pinning Ceremony are both scheduled to take place during regular campus business hours.

Large numbers of visitors are expected to attend these ceremonies, so drivers who normally park in the following areas should plan for heavier than usual traffic and may need to seek alternate parking:

- O'Connell Center Parking Lot
- Parking Garage 4
- Large Engineering Parking Lot (located on Museum Road directly south of the Welcome Center)
- Frazier-Rogers Parking Lot

Alternate parking is available in the Large Commuter Parking Lot on Gale Lemerand Drive and in Parking Garage 5 (this is normally a Red decal garage but has been converted to "Any Decal" parking through August 4).

For more information on campus parking and transportation, please visit www.parking.ufl.edu or call (352) 392-PARK (7275).
