Motor Homes Spaces

Motor home parking spaces are approximately 17 feet wide by 40 feet long. Motor home parkers follow the blue striping pattern overlaying the standard white parking lines. Each permit holder receives a numbered parking permit corresponding to an assigned numbered parking space. You must park in your assigned space and display your permit upon entry and at all times while parked in the motor home lot.

Secondary Vehicles

One secondary vehicle accompanying the motor home may be parked within the reserved space or in other non-obstructive unreserved areas within the lot. One secondary vehicle permit will be provided and must be displayed upon entry and at all times while parked in the lot. Additional vehicles are prohibited.

Shuttle Bus Service

Six shuttle bus vouchers valid for the six game season will be issued to each motor home permit holder at no additional cost. Walk-ups and other individuals without passes will not be permitted to ride the shuttles. Up to four additional individual season shuttle vouchers may be purchased at a cost of $35.

(There is no shuttle service provided from Lot F and motor home permit holders in Lot F, spaces 248-271, will not receive shuttle permits.)

Generator Prohibitions and Exhaust Extension Requirements

Exterior or pull-along generators are prohibited at all times. Use of exterior or pull-along generators will result in dismissal from the program with no refund. For safety reasons, motor homes must utilize exhaust extensions or
“smoke stacks” to channel exhaust fumes to the top of the motor home. Motor homes without stacks or with detached stacks may be subject to fines.

Violations and Enforcement

The University of Florida police will patrol the lots periodically to enforce these regulations. Vehicles shall be subject to expulsion, fine and/or impoundment for violations including, but not limited to:

- Failure to display a valid motor home permit or secondary vehicle permit.

In the event that you find another vehicle parked in your reserved space, please look for a police officer on site or call UFPD at 352-392-1111 for assistance.

Failure to comply with the provisions of this program may result in the loss of motor home parking privileges for the remainder of the season, as well as non-renewal for future seasons. Permit fees will not be refunded.
