“PARK UP” FOR SUMMER
MAY 9 - AUGUST 5

Please be advised that campus lots and garages designated as “Green” or “All Red” will be converted to “Any Decal” parking during the summer semester, May 9 – August 5. This allows our customers to “park up” during the summer when additional space is available.

“Red One” decal restrictions will remain in effect in all areas, with one exception: Garage 8 (located at Norman Hall) will be converted to “Any Decal” restrictions in both the “All Red” and “Red One” sections.

Vehicles displaying Brown decals may park in lots designated as “Any Decal.”

Please remember that vehicles displaying Staff Commuter decals are prohibited from parking in Garage 7 (located at the O’Connell Center) at all times.

For additional information on campus transportation and parking, please visit www.parking.ufl.edu or call (352) 392-PARK.
